

Prince Kushwaha

+91 9867551702 • princkus123@gmail.com • Mumbai, India

PROFESSIONAL PROFILE

Data Science student with strong skills in Python, SQL, and data analysis. Experienced in working with real-world datasets to extract insights, perform EDA, and build data-driven solutions. Seeking an opportunity to apply analytical skills in a practical environment

PROJECT EXPERIENCE

Sales Data Analysis Dashboard

- Developed an interactive Power BI dashboard to analyze sales performance, revenue trends, and customer behavior
- Used SQL to extract and transform raw data from relational databases
- Identified key business insights that helped improve decision-making

Data Cleaning & Exploratory Data Analysis (EDA)

- Cleaned and processed raw datasets by handling missing values and outliers
- Performed EDA using Pandas, Matplotlib, and Seaborn
- Generated meaningful insights through data visualization

Customer Support Ticket Analysis

- Cleaned and analyzed support ticket data to identify drivers of response time and CSAT.
- Performed EDA, feature engineering, and correlation analysis to uncover key trends.
- Built SLA-based insights and identified high-escalation categories with actionable recommendations.

EDUCATION

Bachelor of Science in Data Science

KES Shroff's College, Mumbai University

CGPA : 6.85

2023 – 2026

Relevant Coursework: Data Structures, Statistics, Machine Learning, Database Management System

COURSE

AI/ML in Aptech Borivali West

CERTIFICATES

- Advance MS - Excel
- 2D Animation
- STATISTICAL TOOLS IN RESEARCH AND ITS APPLICATION
- SQL course on Kaggle!
- Data Analysis
- Cloud Computing
- Power BI
- Python

SKILLS

Technical Skills: Python, SQL, Power BI, Excel

Libraries/Tools: Pandas, NumPy, Matplotlib, Seaborn, Scikit-learn

Database: MySQL, MongoDB

Other Skills: Data Cleaning, Data Visualization, EDA, Problem Solving

Soft Skills: Communication, Teamwork, Analytical Thinking
